Step 5

In the second coat of wet polish apply 3 equally spaced dots LCN polish # 137 Straw-burried in wine with your spot n swirl tool. (step 3)
Repeat with a contrasting color LCN polish #NA7 Milky Way. (step 4)
*Do not allow the dots to bleed together.
With you striping brush, pull through the center of each dot in one continuous motion. (step 5)
*Be sure to use the entire length of your striping brush bristles.

Apply the french manicure LCN Polish # NA7 Milky Way.
Apply LCN Wet wet Look for a top coat. Finish with LCN Quick dry oil.
*Be sure the design and french manicure has had time to dry a bit before applying wet look to prevent the darker colors from bleeding into the lighter colors.
