

Make Up Instructions

Step 1:

Complete all skin preparation.

(Confirm skin is cleansed, toned, and moisturized)

* Make up models should not have any make up on prior to the start of the competition.

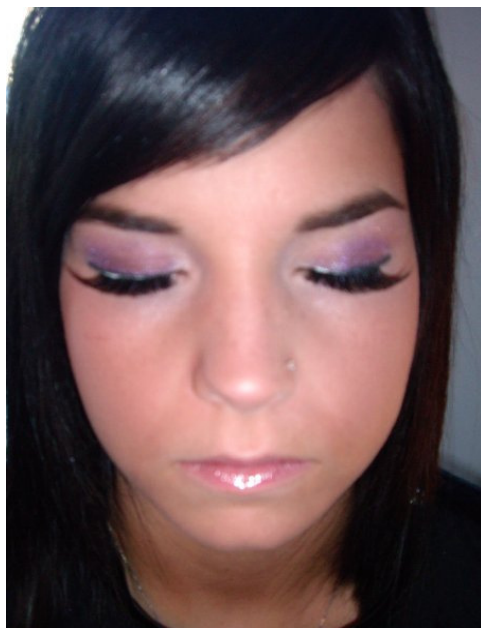

Step 2:

Complete basic make up application:

Including foundation, blush, eye shadow, eyeliner, lip liner and lipstick, brow liner (if necessary), and mascara.

* Ensure all contouring and highlighting necessary are completed.

Step 3:

Apply false lashes.

* Must be supplied by the competitors.

Step 4:

Apply basic design and 10 rhinestones.

* Any medium can be used to complete the design including pencil, liquid, powder etc.

Step 5:

Embellish original design with your own creativity.
* This step does not need to copy the picture

Step 6:

Finish your creative design with some sort of a head piece to complete your look.
*This could include flowers, hats, scarves etc.
